Build your dream home at Silver Star and enjoy this amazing resort community to the fullest. This excellent ski-inlet in Phase 2 gives you a nestled in the trees lot with access directly to the skiway. It's a fairly level lot so easier to build on. Zoned for either a single family home or a duplex. Buildout both sides and put one on the market or retain it for rental revenue. Talk to our preferred builder about different build to suit options and great mountain knowledge.
